

Educator™ WSV-35

The Sound-Craft Educator™ WSV-35 is an ideal solution that offers function, quality, and value in a very compact package. The WSV-35 instructor station includes a full-width keyboard tray, euro-hinged locking doors, document camera drawer with lock (right side), locking removable front access panel, 3" casters, and power strip. Cable accesses are provided in the base and sides. The interior is partitioned to provide a computer tower bay as well as an equipment bay that can be specified with optional rack rails or adjustable shelves and standards.

Offered in rotary cut red oak, finished in choice of natural oak, dark oak, black painted oak, and dark cherry stained oak. The finish is a durable lacquer.
